

YORK RI SQUASH CLUB

Member Data Privacy Notice (UK GDPR)

Status: Interim Operating Policy (Adopted by Executive Committee September 2026)
Affiliation: England Squash Affiliated Club | Home Venue: Queen Street Facility, York
Website: <https://www.yorkrisquashclub.co.uk> | Governance Model: Unincorporated Amateur Sports Club

1. Data Controller & Scope

- **Primary Account & Payment Data:** The Queen Street facility and its software provider (Sports Booker) act as the primary Data Controller for member accounts, online bookings, and membership fee payments. Please refer to the Queen Street site privacy policy regarding booking data retention and financial security.
- **Club Operational Data:** York RI Squash Club acts as a separate Data Controller strictly for squash section activities (e.g., team fixtures, internal box leagues, and social events).

2. Information We Collect

- **Contact Details:** Name, email address, and phone number.
- **Participation Data:** Membership tier, fixture availability, internal box league entries, and match fee tracking.
- **Safeguarding Data:** Emergency contact details and relevant welfare records where required by law or England Squash guidance

3. How We Use Your Information

- Administering internal box leagues, social club nights, and member tournaments.
- Managing team selections, match fixtures, and player availability.
- Registering players with Squash Levels and regional league committees.
- Communicating club updates and facility notices from Queen Street management

4. Third-Party Systems & Data Sharing

The Club does not sell or transfer personal data to unauthorized third parties. Essential operational data is processed through:

- **Sports Booker (Queen Street Management System):** Used for membership verification, booking administration, and subscription tracking. The Club receives basic contact lists from site management to confirm player eligibility
- **Spond:** Used by Team Captains and committee officers for event availability, match fee collection, and club communications.
- **Squash Levels & Regional Leagues:** Used for official player affiliations, ranking algorithms, and scorecards.

5. Third-Party Systems & Data Sharing

Members have the right to request access to, correction of, or deletion of their personal data, subject to legitimate administrative or league compliance requirements. Contact the Executive Committee to submit a request
